

Outcomes: AQA Unit Award Scheme

The AQA Unit Award Scheme supports the school ethos of 'thinking and learning differently'. We introduced the AQA Unit Award Scheme in January 2020 and received the following comments from an external assessor.

"This was an excellent assessment with all documentation prepared with care. It was lovely to see the additional evidence provided by the centre and it is clear that your learners clearly benefit from their involvement in the UAS. My thanks go to the other centre staff for their efforts in producing this assessment. I wish them every success with the Unit Award Scheme during the year ahead. I look forward to receiving your future claims." AQA Assessor – March 2020
